Dear Mr Wellby,

Re: Debt Recovery.

Thank you for recovering the debt from our client that was now 120 days old. As you were aware we had been chasing this account for approximately 60 days. I had no idea how quickly you operate as the funds were cleared and in our bank within 4 days of instructing you.

When the occasion arises I will instruct you again and have already recommended you to another contractor in our industry.

Yours sincerely,

Jonathon Hart.
